Subject: Letter of Appreciation for the Refresher cum Exposure visit of WBVHA team.

Dear Madam,

Warm greetings to you from the family of WBVHA-NB!

I on behalf of our organization would like to extend our sincere gratitude to all the family members of Manam Foundation for your heartiest hospitality during our recent exposure visit. We truly appreciate the time and effort your team members invested in making our visit both welcoming and deeply educational.

The opportunity to observed your internal working processes and the specific methodologies employed by you was incredibly insightful. In particular, we found the demonstration of your technical tools and the way you streamline strategies for project implementation to be highly impressive. Seeing these strategies in action has given our team fresh perspectives that we hope to integrate into our own community development initiatives. Along with that, your mode of promotional strategies, practical demonstration, documentation including process and strategies of activities, in-depth counseling process with highly recovery rates, professional mechanism with people centric commitment and dedication and sustainable framework was highly impressive.

Furthermore, the field visit was a highlight of the day. Witnessing the direct impact of your projects and the rapport your team has built with the community was inspiring. It provided us with a practical understanding of how your theoretical frameworks translate into meaningful change on the ground.

We are grateful for your transparency and your willingness to share your expertise with our team members. We look forward to maintaining this professional connection and explore potential avenues for future collaboration.

Thank you once again for your hospitality and for the invaluable learning experience.

Warm regards,

Tarun Kr. Maiti
